CANTEL WEBINAR

Risk Analysis – Identifying Practice Gaps in the Endoscope Reprocessing Area

Date: 3rd September 2021

Time: 12:30 pm

Duration: 1h

ZOOM URL: https://canel.zoom.us/webinar/register/WN_R4uh8m7yQPSTlrJSoZ4-pA

Overview

This Canel Clinical Education webinar will provide information and guidance to program participants to help them identify and understand the importance of microbiology and biofilm formation relevant to flexible endoscopes. The focus on chemistry will provide a foundation of knowledge about the differences in cleaning, disinfection actions and the chemical properties that help support best practice in the gastrointestinal endoscopy suite.
